Re: United States v. Tator, 07-459 (RBK), Request for extension for filing a rebuttal.

Dear Prospective Clerk,

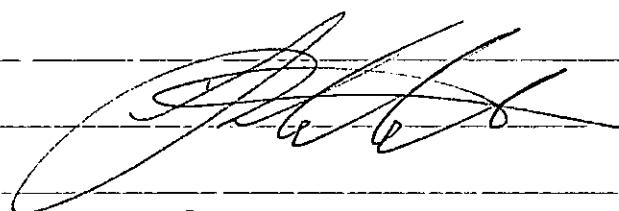

Please file this as a request for extension of time to rebut the government's motion opposing reconsideration of C.R.P.S pursuant to 18 U.S.C. 3582.

I've received an e-mail notifying me that the government have filed a motion previously mentioned above, however I've not received a copy (complete) of the motion which they filed. If the government sent me a copy of their motion, it's likely late due to mail delivery delays.

However, in the case I'm expected to answer their motion in a timely matter, I request that the Court allow an extension of 10 day's for the defendant to respond.

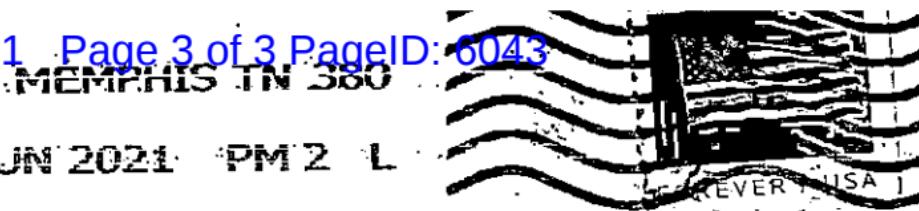

Please note, I have still not received a copy of the government's motion!

Respectfully Submitted

SERDAR TATAR Rose
